As you get set to celebrate Diwali, how about also spreading cheer in others' lives? One way to make the festival an unforgettable affair for underprivileged children is to be a part of an ongoing campaign in Saket.

Select CITYWALK mall in partnership with Choose Hope: Fulfilling Dreams has tied up with NGO Project Sunshine for a 10-days, 10-children, 10-wishes campaign called Khushiyon Ki Diwali.

"We wanted to make this year's Diwali truly memorable for these kids," says Jaideep Singh, co-founder of Choose Hope: Fulfilling Dreams.

"Luckily, Select CITYWALK offered us a chance to execute it. This 10-day activity, on till October 15, is a live crowdfunding of the wishes these kids have made. We welcome everyone to visit the mall and contribute their bit," adds Singh.

Brothers Gaurav (6) and Vishesh (10) want to meet cricketer Virat Kohli and watch him play in a stadium. Varsha (10) wants to go to Agra by flight to see the Taj Mahal, and Sandeep (13) dreams to take a hot air balloon ride.

Yogeshwar Sharma, CEO and executive director, Select CITYWALK says, "We spend so much money on Diwali, but this is the cause we should contribute for. It feels great to spread love and smiles!"
